Absent: Tanja Tornede(*Supervisor*)

Minutes-taker: Paul Fährmann

Topics Discussed:

Implementation

Details —

1. Discussed the DatasetToScikitlearnTransformer and ML4PdM - wrapper and who takes on that implementation task → Paul.
2. Checked with everyone, that their implementation can be finished until the deadline.
3. Discussed if there are missing parts to be implemented, especially in the metrics module. We didn't find anything missing.
4. Discussed the examples folder and what needs to be done there.

Next Meeting:

1. Date and time: August 12, 2021 at 10:00 - 12:00
2. Person responsible for minutes: Sanjay Gupta
